Financial Aid Form 2011 season

This form is for those applying for financial assistance.

Only a very limited number of Full scholarships are available

It is the intent of Gresham Youth Football Association to make every effort to ensure our program is open to all interested members of the community. With this goal in mind, we have created a Financial Aid application process for existing and prospective members with a special need or consideration for them to participate. Your application will be reviewed by the board and will be assessed based upon multiple factors. Financial need alone is no guarantee of acceptance!
